RE: RESPONSE TO OFFICE ACTION - AMENDMENT DUE 01/06/04
Application: FLAT PANEL DISPLAY WITH INPUT DEVICE
Filed: 11/14/2001
International Appl. No: 09/992,824
Docket No. PC-1205B

Dear Gwang-Sig:

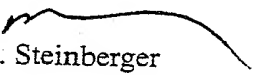

We received a first office action response. Good News, the patent office has indicated that claim 1 would be allowable if properly amended, which we can do.

The drawings were objected to. We can also attend to the drawing problems.

Claims 2-6 were rejected over applicants admitted prior art in view of Nobuhiko. The Patent Office is basically arguing that your admitted prior is the closest prior art. Thus, there are no new surprises here. We can take care of these changes. The cost for an amendment response and the appropriate arguments is \$1,600.00 less 20% for a total of \$1,240.00. We will need your payment before responding. The due date is January 6, 2004.

As always, if you have any question please contact our office.

Sincerely,

Brian S. Steinberger
